

# LANCASTER-LEBANON LEAGUE GIRLS BOWLING CLINIC

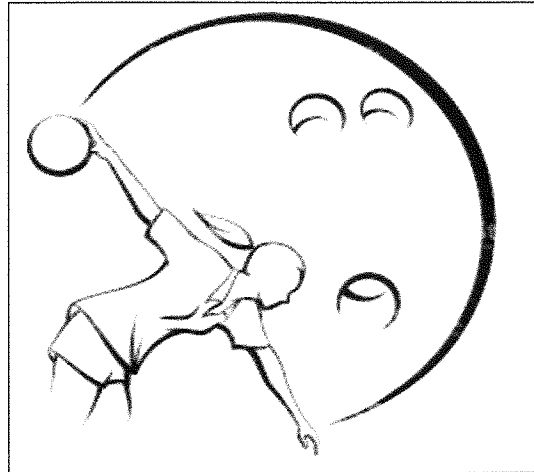

Presented by the  
Lancaster-Lebanon League coaches

**Who:** Any girl in middle school or high school

**When:** Saturday, February 17

**Where:** 222 Dutch Lanes  
4311 Oregon Pike, Ephrata

**Time:** Noon to 3:00 PM

**Give us a few hours  
and we'll give you**

**Purpose:** To provide an opportunity to learn skills in an emerging sport that doesn't necessarily require the athlete to possess size or speed. Bowling requires timing and good hand/eye coordination. If you already excel at another sport, your natural athletic ability could give you a head start on learning how to bowl, and bowl well.

**Coaching Staff:** Coaches from the LL league along with former and current High School players.

**Equipment:** Bowling balls and shoes provided by the bowling center. Wear basic athletic clothing. Snacks and drinks will be provided, or you may bring your own.

**Program Agenda:** An introduction to high school bowling by current coaches and testimonials by former and current high school bowlers. We will then move on to one on one instruction by coaches and athletes.

**RSVP by February 10:** Warwick High School Coach Neal Vital via email at: [vital3@comcast.net](mailto:vital3@comcast.net)

**Clinic Fee:** \$20 per attendee. (Please bring payment to clinic, or see below to reserve your spot)

**Questions? Contact Coach Vital via email or phone (717) 538-9247**
