SUMMER 2017

HANDWRITING CAMPS FOR KIDS

Led by a Licensed Occupational Therapist

Designed to support developmental skills needed for handwriting, camp activities address fine motor skills, gross motor skills, including postural stability, visual-motor skills, perceptual skills including spatial and body awareness and literacy. Children benefit from the group setting with fun activities that encourage participation and support social skills.

READY TO "WRITE"

AGE/GRADE: 4 ½ to 6 years old, entering preschool or kindergarten

This camp develops readiness skills for writing with focus on motor and perceptual skills required for writing fluency. Play based multi-sensory activities with recommendations for home activities that support skill acquisition. Campers will get their own "handwriting kit."

CAMP DATES/TIMES: Mondays and Wednesdays 9:30-11:00 am July 10 -August 16

FEE: \$200

ENROLLMENT: 6 children

THE "WRITE" STUFF

AGE/GRADE: 6-8 years old, entering 2nd or 3rd grade

For children who have already learned letter/number recognition and printing but need practice with sequencing strokes, spacing, control and legibility. Focus is on foundational skills of posture, fine motor control and visual-motor skills. This group will use a multi-sensory approach to make handwriting fun. Campers will get their own "handwriting kit."

CAMP DATES/TIMES: Mondays and Wednesdays, 1:00-3:30 pm, July 10 – August 16

FEE: \$200

ENROLLMENT: 8 children
