Dear Parents,

At Saint Leo the Great Catholic School, we provide an education that is rooted in our Catholic Faith, recognizing that Jesus Christ is the One Teacher of all and that our greatest intellectual pursuit is to strive for holiness while advancing in wisdom, knowledge and grace. Our Faculty is an outstanding one, committed to this pursuit, and we are grateful for our Administration and Staff that guide and support our educational mission.

We have a demanding curriculum with many exceptional opportunities for academic and extracurricular activities and learning. Our most recent standardized tests demonstrate the high achievement of our student body as our class averages for Grades 4-8 ranged from 93% to 98% in the national school norms. And, as we look to the future, we are grateful that Bishop McFadden recently approved our Parish Feasibility Study which calls us now to plan for expansion of our School facilities.

Please join us over the next few months and learn more. We have room in all of our grade levels and, best of all, we make it affordable for all families whatever their income level.

May God bless all of us as we continue to grow in this treasure that is our Catholic Faith.
