“Active Parishioner” is defined as one who is participating in the Sacramental Life of the Church, active in the life of the Parish, attending Mass each Sunday and Holy Day of Obligation. This “status” is to be verified by the Pastor of one’s Parish, often by proof of Sunday contributions at some level.

It is the intended goal and objective of Saint Leo the Great Catholic School that no Catholic child, whose family is participating in the Sacramental Life of the Church and active in the life of the Parish, will ever be denied admission because of financial need. Therefore, our school participates in the FACTS Program. This program requires all families to submit financial data on or before April 15<sup>th</sup> and that for those who complete this online application, every effort possible will be made to ensure that financial assistance is available to allow attendance in our school. If you have questions about the application process, you may speak with a FACTS Customer Care Representative at 866-441-4637.

**If any fees become burdensome in any way whatsoever, please contact one’s Pastor for assistance. Again, our policy is that the child of a family, who strives to participate in the Sacramental Life of the Church, will never be denied admission because of financial circumstances. We will accept Credit Card payments for tuition, but with a 2% premium charged.**
